A Sensation

The marvellous curative properties of Foley's Honey and Tar has proven a sensation in many cases of severe coughs and colds that had refused to yield to other treatment. Foley's Honey and Tar will stop your cough, heal the lungs and expel the cold from your system. Contains no harmful drugs L. S. Simmons.

Agua Caliente, Please

Theodor Richards, proprietor o Agua Caliente Springs is not at all pleased at the abbreviation of the name of his popular resort by the railroad company, whose printed tickets now read, "Caliente." As the postoffice there is Agua Caliente and there is another Caliente in another part of the State, there seems to be no good reason for the abbreviation. As has been suggested, might as well shorten Glen Ellen to "Ellen" or leave off the first two syllables of Sonoma. No doubt the company will print the full name on its tickets for that place, hereafter.

Examination for Mail Clerks

The United States Civil Service Commission announces an examination on Feb. 26, 1908, at Santa Rosa, to secure eligibles from which to make certification to fill vacancies as they may occur in the position of railway mail clerk, in certain States. The subjects for examination are spelling. arithmetic, letter writing, penmanship, copying from plain copy, geography of the United States, reading addresses and systems of railway transportation. Applicants should apply to either the United States Civil Service Commission at Washington, D. C., or to the secretary of the board of examiners at San Francisco. Applicants must be between 18 and 35 years of age, of not less than 5 feet 5 inches in height, and weigh not less than 130 pounds.

Bert Barber, of Elton, Wis., says: "I have only taken four doses of your kidney and bladder pills and they have done for me more than another medicine has ever done. I am still taking the pills as I want a perfect cure." Mr. Barber refers to DeWitt's Kidney and Bladder Pills. They are sold by L S. Simmons.

Good News if Only True

"Men are at work in the historic plaza at Sonoma removing the historic city pavilion which is giving place to the handsome new town hall that now graces the city. Many old timers will remember the old pavilion. The material taken out of it will be used in the erection of a barn near Sonoma. It is said that the townsfolk are sorry to see the old thing go."

The item appeared in Saturday morning's Press Democrat and we were so surprised when we read it that we rushed down to the plaza to see if the "dear old eyesore" was still standing, thinking that perhaps the city officials had removed to other quarters during the night and that the purchaser of the building had hauled it away bodily in that time. It was still there and not a hair of its head had been touched.

Inquiring of one of the trustees, we learned that the old pavilion had to be used for some time yet and would not be taken down until the officials had moved into the new municipal building.

The Press Democrat must have gotten its information from an unreliable source as it was not the only paper that had the same item of news (?) Saturday morning.

Wm. Still Dead

Wm. Still, a former well known Sonoma citizen, passed away after an operation in St Luke's Hospital San Francisco, last Saturday morning.

Deceased was born in Aberdeen, Scotland, June 27, 1851. He was a stone mason by trade and of recent years was superintendent of a street paving company in the metropolis. Wm. Still was an honest, upright citizen and enjoyed the respect and esteem of all who knew him.

The remains were brought to this city Monday evening. The funeral took place from Bates' Undertaking Parlors Tuesday afternoon under the auspices of Temple Lodge, F. and A. M., of which deceased had been a member for over twenty-three years.

Installed Officers

Past Master, Jesse Burris, installed the newly elected officers of Temple Lodge No. 14, F. and A. M., in I.O.O.F. Hall last Friday evening. They are as follows:—W. M., H. W. Gottenberg; S. M., W. F. Clewe; S. D., S. B. Lewis J. D., Wm. Werner; Stewards, Claude Johnson and F. D. Bose; Secretary, D. R. Van Amringe; Treas., G. H. Hotz, Chaplain, T. J. McGimsey; Tyler, E. H. Johannsen.

Cohen Cottage Dedicated

The meeting of the directors of the State Home for Feeble Minded at Eldridge was preceded Friday by the dedication of the new "Cohen" cottage that has just been completed there. The home will care for twenty high grade boys and was erected from the $1000 balance from the cottage fund bequeathed several years ago by Mr. and Mrs. Cohen of Alameda, who were present, with the trustees, at the exercises.

BUY A HOME

A good opportunity is offered to purchase a home in Sonoma. New house of 5 rooms, lot 50x320 feet, barn, woodshed, chicken house, etc., good well of water. Fine location. Cash or easy payments. Inquire at the Expositor office.

Daniel Grant Dead

Thursday night Feb. 13, Daniel Grant, Sr., a pioneer and highly respected citizen of Petaluma, passed to his eternal reward. Deceased was for many years superintendent of the Consolidated Virginia Mine in Nevada but retired from active business several years ago and purchased a home in Petaluma where he resided up to the time of his demise.

He leaves a wife and two grown children to mourn the loss of a kind and husband and loving father.

Valentine Party a Success

The St. Valentine's dancing party given in Union Hall last Friday evening by Mine Host and Mrs. Koenig was a decided and pleasing success in every particular. Those who attended report having had a most enjoyable time. The Pauli-Johnson orchestra furnished excellent music, as usual. Refreshments were served.

Use DeWitt's Little Early Risers, pleasant little pills. They are easy to take. Sold by L. S, Simmons.

Prominent People to Wed

Dr. J. H. Mazza, a prominent dentist of Petaluma, and Miss Elvira L. Filippini of this valley are to be married. Both young people are popular in Petaluma and in Sonoma valley. Hearty congratulations and best wishes are extended.

A NIGHT ALARM

Worse than an alarm of fire at night is the metallic cough of croup bringing dread to the houshold. Careful mothers keep Foley's Honey and Tar in the house and give it at the first sign of danger. Foley's Honey and Tar has saved many little lives and it is the only safe preparation for children as it contains no harmful drugs. L. S. Simmons.

Orchardists around Tulare will increase the fruit tree acreage this spring by planting about 200 acres, largely peaches and apricots.

MAKE IT YOURSELF

There is so much Rheumatism here in our neighborhood now that the following advice by an eminent authority, who writes for readers of a large Eastern daily paper, will be highly appreciated by those who suffer:

Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces of Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the Kidneys so that they can filter and strain from the blood and system the poisons, acids and waste matter, which cause not only Rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.

Bicycle Given Away

Mr. Hotz desires to announce that he will continue to give a ticket with every dollar purchase and will have a drawing early in the new year for the fine boy's bicycle on exhibition in his show window. *

A WORTHY CAUSE

The good people of this city and valley are familiar with the story of the sad and almost unprecedented series of calamities that has recently befallen the W. J. Hiser family below town.

First, Mr. and Mrs. Hiser were ill. Then each and all of the five children became afflicted with cerebro-spinal meningitis. Two of them the baby girl and a boy died and the remaining three are still in the care of the physician and the outcome in their cases is still in doubt as to permanent recovery. Although every possible effort is being made for them, it is probable that their usefulness will be more or less seriously impaired. The great and sudden calamity that has befallen these good, honest and industrious people, has almost hopelessly involved them financially. They are in dire need of assistance.

There are many persons in this valley who have signified their willingness to aid this stricken family. A committee of charitable citizens called upon the Expositor this week and requested us to give publicity to the fact that cash contributions would be gratefully received in aid of the Hiser family. Anyone desiring to aid in this worthy cause can feel assured that any donations left at this office will reach the family in need.

SPECIAL EDITION

The special edition of the Expositor, now being compiled by Mr. W. A. Stamats, is rapidly assuming form and is meeting with the hearty co-operation of the people of the valley. It will contain a write-up of the resources, advantages and facilities offered by this section to the prospective home-seeker and investor as well as to those on pleasure bent and will contain many articles by special contributors, and other matter that will be of interest to the people at home and abroad. The edition will be printed on good paper and profusely illustrated and will be especially suitable for mailing to friends and others back East.

The business interests of this valley that fail to be represented in this edition are overlooking the best opportunity for advertising both this community and their own private enterprises, that has ever been presented to them, as it is the intention to place a copy in every home in Sonoma Valley and also print a large number that will be sent to a distance.

Orders for extra copies are now being received at this office.

For Municipal Ownership

A monster petition, signed by 14,000 taxpayers and voters of San Francisco, requesting the Supervisors to submit to a vote of the people at a special election the matter of municipal purchase of the realty and personal property of the United Railroads, the California street line, and the Pacific States Telephone and Telegraph, and Home Telephone Companies, was filed Saturday by Daniel O'Connell. The number of signers to the petition is far beyond the five per cent required by law and compels the Supervisors to submit the matter at a special election within six months. The only challenge available to the petition is the legality of the signature.

CITRUS FAIR

Reports from the 16th Annual Citrus Fair now going on in Cloverdale, are to the effect that the exhibits, the beautiful and unique decorations, are exceedingly attractive and well worth seeing. Excursion rates tomorrow, only $1 the round trip. Better go, you'll be pleased. It will be time and money well spent. A big crowd will attend from Sonoma Valley.

Mr. Berry Appointed

Jos. P. Berry, the well known attorney of Santa Rosa, has been appointed a member of the Board of Directors of the home for the care and training of feeble minded children at Eldridge.

New Circle Organized

Permanent organization of the new Circle Women of Woodcraft for Sonoma, took place in I.O.O.F. Hall last Wednesday evening. The full list of the newly-obligated members were present and much enthusiasm prevailed.

Following were the officers installed:—Mrs. H. P. Mathewson, guardian neighbor; Mrs. F. A. Riser, past guardian; Mrs. W. Werner, adviser; Mrs. Albright, clerk; Mrs. Thos. Baines, banker; Mrs. O. A. Gates, magician; Mrs. E. Cliff, inside sentinel; Mrs. Joost, outside sentinel; Mrs. L. H. Green, C. L. Newman and Mrs. Clements, managers; Mrs. Bruns, Capt. of Guards; Mrs. Rivest, attendant.

The official designation of the new lodge is Noika Circle, No. 690, W. O. W.

County Surveyor to Wed

County Surveyor, George H. Winkler and Miss Mabel Parker, the attractive and accomplished daughter of Mrs. Parker, of Dry Creek Valley near Healdsburg, will be married at the home of the bride next week.

The groom is a graduate of the Santa Rosa High School and State University and an expert civil engineer and surveyor. Both young people are deservedly popular in this county and their host of friends extend best wishes for a happy and prosperous wedded life.

Three Successful Nights

The Transcontinental Chautauqua Assembly, under the direction of the Meneley Lyceum Bureau, gave three very successful entertainments in Union Hall this week.

The first night a highly pleased audience greeted the Robley Male Quartette, the second night, Col. John Sobeiski delivered an interesting lecture, and last Wednesday night, The Meneley Quartette of talented artists, delighted the audience with vocal and instrumental music and mirth-provoking impersonations.

Law Upheld

The statute governing the practice of optometry in California, was upheld by Superior Judge, Henry C. Gesford, by a decision handed down this week. R. G. Shoults, formerly of this place, but now a leading druggist of Napa, was making a test case of the matter. He had been arrested and fined $50 by Justice of the Peace Coombs and had appealed to the higher court. A further appeal to the Supreme Court will probably be taken.

Arrested Here

Dep. Sheriff Jos. F. Ryan arrested one Harry Riconti, a recent arrival from the metropolis who went into hiding in this city last Tuesday evening and placed him in the pavilion bastile. The young man is charged on a warrant from San Francisco, with defrauding an inn-keeper of the sum of $165. Officers came up and took the prisoner to the metropolis yesterday.

Good News For Ladies

M. & J. Valente have just received at their store on First St. West, a large assortment of ladies shirt waists and muslin underwear and you are cordially invited to call and see the stock, which is composed of the very latest styles at tempting prices.

A New Editor

Editor and Mrs. J. P. McConnel of Sebastopol, are the happy parents of a bouncing baby boy who arrived to gladden their home there Wednesday. Their host of Sonoma friends extend hearty congratulations on the arrival of a son and heir.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Dynamite Explosion

There was another powder mill explosion at Pinole yesterday afternoon and twenty-four persons lost their lives, and six were injured. As usual the cause of the accident is unknown, as there were no survivors who were in position to know. A train crew of four persons were killed, and the train entirely destroyed. Twenty Chinese also lost their lives. The shock was felt for miles around.

The people in Sonoma and valley heard the report and felt a light shock.

CITY SALOON ROBBED

Last night between six and seven o'clock, some one entered the City Saloon on Napa St., owned by Jas. Modini, while he was away at supper and took about $10 from the till a razor, two harmonicas and a large revolver. The party entered by breaking a pane of glass in the rear door and turning the lock thereof.

Upon returning to his place of business after supper, Mr. Modini missed the coin and articles named, and immediately notified Dep. Sheriff Jos. F. Ryan, who repaired to the scene. Roy Stockwell, a well known young man about town was suspicioned of the crime and upon arriving at the City Saloon, Dep. Sheriff Ryan found Stockwell standing in front of the bar and the proprietor serving him with a drink. Officer Ryan instantly felt of Stockwell for a pistol whereupon the latter struck at the officer and ran out. He was overtaken on the sidewalk and after a struggle and with the assistance of bystanders, was taken to the city prison and locked up.

The pistol, razor and harmonicas found on Stockwell were identified by Modini as his property. This morning Jas. Modini swore to a complaint charging Roy Stockwell with the crime of burglary Dist. Attorney Lea has been notified and is expected to come down on the 4 o'clock train this afternoon from Santa Rosa to conduct the preliminary examination before Judge Small.

FOLEY'S HONEY AND TAR
for children; safe, sure. No opiates

Do You Feel Chilly, Then Feverish and Ache all Over?

Feel Worn-out, Blue and Tired? Have You a Fresh Cold, With Frequent Hacking Cough? Sensation of Soreness in the Chest or Back?

Don't let your case run into bronchitis, or some other obstinate and dangerous malady. The very best medicine to take in such a case is Dr. Pierce's Golden Medical Discovery. Made without alcohol or dangerous drugs, it contains that rare combination of native medicinal roots that will allay a cough (iron it out, as it were), restore the circulation, assist the appetite and digestion, and consequently restore tone to the entire system. That is the reason people look happy once more after taking it—they feel like living, because their liver is active, the blood in their arteries is full of that life-giving quality—rich, red blood. The blood in turn feeds the nerves.

Nervousness and neuralgia are only the indication that the nerves are not fed on invigorating blood. This "Medical Discovery" of Dr. Pierce is nature's own restorer. It tones up the organism and invigorates its functions, furnishing to the body one of its necessary constituent principles of which it is in need.

This preparation is of pleasant taste, agrees perfectly with rebellious and sensitive stomachs, and is extremely effective in restoring tone and vigor to the entire system. It cures troubles of the stomach and at the same time the blood-vessels are given such a toning up as to throw off a cold. One very good reason why it restores the health of run-down, pale and emaciated people is because it first throws out the poisons through the liver and kidneys. It then begins its reconstructive work, in building up flesh and making good, rich, red blood.

"I have been a sufferer from indigestion for some thirty years, at times," writes Mr. S. W. Mullenax, of Circleville, W. Va., "and have used medicine from several of our best physicians, which gave me only a little temporary relief. They said I could never be cured. Last winter I was stricken with the worst spell that I ever had. I suffered with such severe pains in the pit of my stomach that I could neither work nor sleep, and my weight went down from one hundred and ninety-five pounds to one hundred and sixty pounds in about two months' time. I then concluded that I would try Doctor Pierce's Golden Medical Discovery. By the time the first bottle was gone, I felt some relief from my severe suffering so continued until I had used four bottles of 'Golden Medical Discovery.' I am truly thankful for the great benefit which I have received from your medicine, and can cordially recommend it to others."

It Stands Alone not only in respect to its ingredients but also as the only medicine for stomach, liver and blood disorders, which absolutely CONTAINS PURELY VEGETABLE AND PERFECTLY HARMLESS INGREDIENTS, WITH NO ALCOHOL.

It Stands Alone as the best alterative medicine, the makers of which take their patients fully into their confidence and tell them exactly what they are taking. This Dr. Pierce can afford to do, because his "GOLDEN MEDICAL DISCOVERY" is made of such ingredients and after a working formula that has thousands of cures to its credit, placing its merits above criticism.

It Stands Alone as Nature's cure for many chronic diseases and its ingredients are: Golden Seal root, Queen's root, Stone root, Black Cherrybark, Bloodroot, Mandrake root, and chemically pure glycerine.

Remember, these are the ORIGINAL Little Liver Pills, first put up by old Dr. R. V. Pierce, over 40 years ago, and although much imitated, have never been equaled. Made of concentrated and refined medicinal principles, extracted from native American plants and roots, therefore purely vegetable and perfectly harmless. One little Pellet for a stomachic, or stomach and bowel regulator, three tiny granules for a cathartic.

Wise Talks by the Office Boy Repeated

I was thinking how many things a fellow has to be thankful for around this job. First, he can be thankful he lives in a country where it is possible for every man to get ahead and own a great big store. Then he can be thankful that he lives in the best State in this great country and in about the best city in the State and works in the best store in the city for a boss who gives everybody (including the Office Boy) the square deal—not from compulsion or from business policy, but from an honest desire to live and move our goods according to the Golden Rule and not the David Harum version, either. So it's up to you to show the boss (and me) that you appreciate our business methods and wish to encourage them.
